# Glendining's Subscription Service 1990

Subscriptions to our catalogues cover a full twelve month period from the time of payment. We hold some 25 auctions each year, of which a minimum of four include Ancient coins, with a further three or four specialising in Historical Medals, Tokens and Numismatic Books. Orders, Decorations and Medals, for which separate subscription rates are offered, are sold in four major sales each year, but three extra Saturday "Collectors" sales have been added to the 1990 Calendar. Most catalogues contain some plates of illustrations. In the course of each year several of the catalogues are of more important collections.

We aim to post the catalogues to arrive some three weeks prior to the date of the sale. Lists of "Prices Realised" are issued after each sale and these are enclosed in a following catalogue, at no extra cost.

For the convenience of customers the subscriptions are priced in differing postal zone, and all overseas catalogues are sent by airmail.

Zone A = U.K. and Ireland; Zone B = Europe; Zone C = Rest of the World
